Brief Description:	Hazi A. K. Khan College celebrated its 17 th Foundation Day on 8 th September, 2025 through a grand programme. The programme occasioned awarding of the 1 st and 2 nd of the passing out batch from each department, and for library visit and book borrowing. The presence of the prominent persons mentioned above made the programme not only successful but also glorious.
Objectives:	The objectives of this programme include—celebration of college foundation day; awarding the ranking students, development of the cultural tradition of the institution etc.
Strengths:	The glorious presence of the guests encouraged the whole team; the collaborative teamwork of all staff together made the programme well-knit; the participation of the students in various activities related to this programme made it successful.
Weakness:	Lack of sufficient number of participants in cultural activities; immature cultural creed.
Opportunities:	The support of local people; the spontaneous involvement of both staff and students; the awards given to the ranking students may encourage many other students in future.
Challenges:	To conduct such a programme involved a number of difficulties: the college being located in a rural area mainly inhabited by financially as well as educationally underprivileged people, the colour of a cultural programme

Outcomes:	<p>often lacks the standard quality.</p> <p>The programme became a landmark of multiple developments in the institution. The students of this institution have been encouraged and motivated towards different activities, both in academic and co-curricular domains.</p>
