The Block was endowed with a considerable number of Primary, Secondary and Higher Secondary Institutions. But no institution was there to cater further education for the young aspirant stakeholders, predominantly the girls. Afterwards, some local robust persons took timely initiatives in framing required Society Registration and completed their formalities with the Government. The long-cherished dream came true in 2008, when Hazi A. K. Khan College started its journey as Hariharpara High School getting affiliation from University of London with Honours and General Courses in some traditional disciplines in Arts. Very soon the institution was shifted to the present location. At present twelve academic departments in Arts are there, out of which seven have

**ABOUT THE SEMINAR**

Gender discrimination is a global phenomenon. The root causes of gender inequality are gender roles and social norms that restrict women's rights and opportunities, which, together with preference advantage between men and women, are the root drivers of gender gaps. Gender discrimination is when someone is treated unequally or disadvantageously based on their gender but not necessarily in a social culture. Gender equality is not only a fundamental human right, but a necessary foundation for a peaceful, prosperous and sustainable world. Gender equality is the main goal of our seminar. Gender equality is not only a fundamental human right, but a necessary foundation for a peaceful, prosperous and sustainable
