Description:

On behalf of Department of Geography, Hazi A. K. Khan College, an Excursion was arranged from 02.12.2024 to 06.12.2024 for the course GEO-H-CC-P-11 of Semester-V Honours [CBCS], registration session 2022-23 in Dooars, Jalpaiguri District and Lava & Rishop, Kalimpong District, WB. The above mentioned excursion was conducted under the supervision of Parimal Karmakar, HoD, Department of Geography, Hazi A. K. Khan College. There were two other faculties attended the excursion, namely Bubai Ghosh, SACT-I, Department of Geography and Emanuel Hansda, Assistant Professor, Department of Philosophy, Hazi A. K. Khan College.

A door to door survey was arranged during the excursion on 03.12.2024 at Dangapara village, Mal Block, Jalpaiguri District to assess the educational status of the study area. There are several other objectives assigned for the survey which are mentioned in the objective section. The excursion provides good positive results among the students, who attended the excursion.

➤ SWOC (Strengths, Weaknesses, Opportunities and Challenges):

Strengths- It was an attempt to assess the educational status of the study area (Dangapara village, Mal Block, Jalpaiguri District) in relation to socio-economic condition. Door to door survey, interviews etc. were done during the survey on 03.12.2024. Quantitative and qualitative data, relevant photos, videos were collected during the excursion.

Weaknesses- Any in-depth study needs sufficient time. It was really a difficult task to gather sufficient data in a single day. So, there were some limitations. Modern technologies with efficient instrument are also necessary.

Opportunities- it was an attempt to achieve the empirical knowledge which is really helpful for the students. They came to know about the livelihood pattern of the study area. That excursion will give them confidence to go outside beyond their native place to gather more knowledge and experiences.

Challenges- It is very difficult to arrange an excursion as it requires a lot of money. There were students of different socio-economic background. Most of the students are from the villages and definitely have financial issues.
